Summary Report to the congregations and members of LC-C, East District

The Missions Committee met on Nov.15 to prepare recommendations to present to the department regarding the financial requests from our various assisted ministries.

The whole department met the following day.

Our Mission Encourager brought us up-to-date on the various assisted ministries and missionaries in the district as we discussed their assistance requests and recommendations from the Missions Committee.

The bulk of the meeting centred on preparing this budget for consideration by the Department for Finance and the Board of Directors.

Other topics covered were:

Our next scheduled meeting is February 6-7, 2017.
