

Department for Outreach meeting of May 31/17

Summary Report to the congregations and members of LC-C, East District

Our May “road trip” took us to beautiful Concordia Lutheran Church in Fonthill.

Pastor David Hamp reported to us on the activities, joys and challenges of the congregations he serves – Concordia and St. John’s Gasline.

Pastor Mohr reviewed our various outreach ministries with particular emphasis on Christ Our King’s radio broadcast ministry and the “Guelph Lutheran Outreach”.

A discussion on EvangelFest concluded with the decision to consider the spring of 2019 for the next event.

A motion was passed to: “establish a policy to use the moneys of this LWML Restricted Fund, up to \$500/yr. for assisted congregations and other needing mission opportunities to run a VBS program, to be evaluated by the Mission Executive and have the DFO members okay them. This fund will also be publicized to the East District.”

Our next scheduled meeting is Sep.19th , 2017.
