

**CHANGE OF CORPORATE NAME – Extended Deadline**

Revised date for submission of ballots - June 30, 2020

To all Members of the East District Corporation:

*(Pastors: Please also forward this to your congregational chairman.)*

Because of the restrictions imposed on gatherings due to the COVID 19 pandemic, some congregations have indicated they have been unable to have their congregational meeting. In consideration of this, the Board of Directors has extended the voting period for submission of ballots to June 30th, 2020. This extension applies to both congregational and pastoral ballots.

For congregations, you may also decide to allow your named delegate to vote (and submit the ballot) on behalf of the congregation, if holding a meeting is not possible.

For those of you who have already submitted a ballot we thank you. For the rest of you, please also consider this as a reminder to submit your ballots as soon as possible

This mailing includes the original notice of explanation for the name change as well as ballots for both congregation and clergy.
